hereby apply for an order under section 53(2) of the Wildlife and Countryside Act 1981
modifying the definitive map and statement for the area by adding the restricted byway in
the parishes of Northbourne and Sholden:

The way begins on Broad Lane at the junction with Burgess Green and with Bridge Hill, at
A (at Ordnance Survey grid reference TR34215383), and proceeds northwest, initially
along a service road for 50m to the end of that road at B (TR34185387), but then between
the South Stream and a fence (the way now being overgrown) turning gradually north and
then northeast, for a distance of 160m, to a junction with public footpath EE365 at a
footbridge over South Stream at C (TR34115401), then turning gradually east-northeast
and then east, straddling the course of public footpath EE365, for 170m to emerge in the
car park of the Coach & Horses public house, terminating on Sandwich Road at D(1)
(TR34275405). Then resuming on the opposite side of Sandwich Road at D(2)
(TR34295404), along a metalled road between dykes east-northeast for 330m to the
junction with an occupation road at Foulmead Farm at E (TR34605413), then north, shortly
turning northeast alongside successively South Stream and North Stream, for 560m to the
junction with an occupation road and a right-angled turn to the northwest at F
(TR34855453), continuing northwest, then turning north and then northeast for 680m, to a
junction with public bridleway EE233 at Ring Wall sluice at G (TR34905502). The total
distance between A and G is 1,950m.

And by upgrading to restricted byway in the parish of Northbourne the footpath EE365
